Impro Improvisation And The Theatre

Improvisational theatre, often called improvisation or improv, is the form of theatre, often comedy, in which most or all of what is performed is unplanned or unscripted: created spontaneously by the performers. In its purest form, the dialogue, action, story, and characters are created collaboratively by the players as the improvisation unfolds in present time, without use of an already ...
Improvisation is a powerful way to become aware of mental habits and patterns. Reflecting on our inner experiences after engaging in an improvisation exercise provides an opportunity to decide whether our mental habits are effective and useful or self-limiting and obsolete. ...
